OR I'LL CURSE YOU.
UPDATES ARE ONE
WEEK AHEAD FROM
BATO.TO.

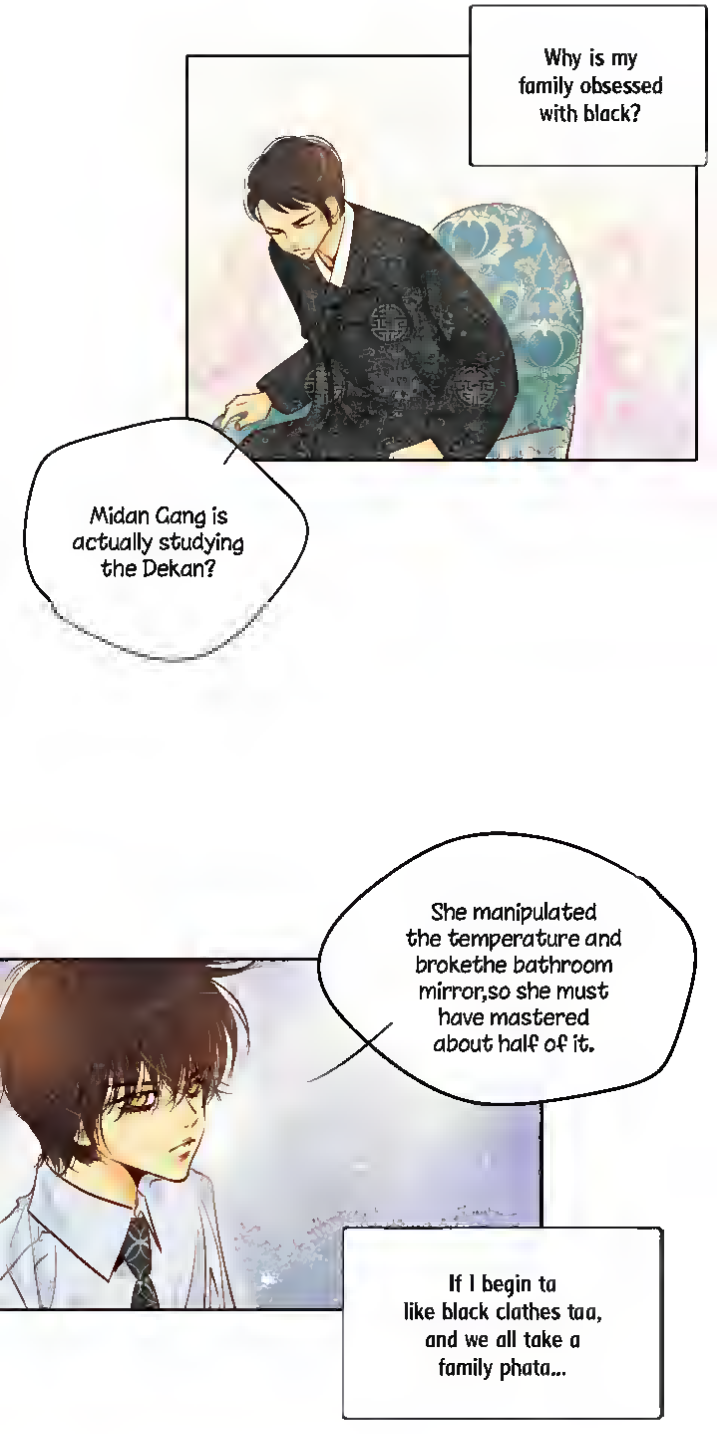
Do they have to
appear that creepily...?

I used to think the some when I wos young.

So nothing happened in the past two years?
No. Nothing happened.
Sa Nok's father. Seong Jin Shin
Sa Nok's mother. Hee Ryong An
You should come in...

These twa always dressing in black... laaking like a grim reaper and a priestess.

QC/N. What a way to describe your parents... ^^"



Why is my family obsessed with black?
Midan Gang is actually studying the Dekan?
She manipulated the temperature and brokethe bathroom mirror,so she must have mastered about half of it.
If I begin ta like black clothes taa, and we all take a family phata...

It would look like a poorly-made-cheap horror movie poster.

QC/N: Oh the horror! LOL x'D

You should come in, mother.
...I feel embarassed, so I am going to come in a little later. Don't mind me.
Just as I thought, nothing changed. It's all still weird...

Oh... she broke the mirror.

She must have become successful at physical magic.

Some people think the psychological magic like mind control is the most sophiscated magic,

When it comes to the doing part. physical magic to break or burn something is much more difficult to manage.

Hm...
so, she leveled up on physics magic...
write write
Now she's probably going to learn psychological and healing magic...

Ah, it is difficult to make a good skill tree.
MIDAN GANG IS NOT A VIDEO GAME CHARACTER!
He is raising a girl character in a RPG game named 'girl MD'.

If she continues like this, she is going to master Dekan and lift the curse.
Oh, don't worry. Her mother wouldn't have made it possible for her to lift the curse so easily.

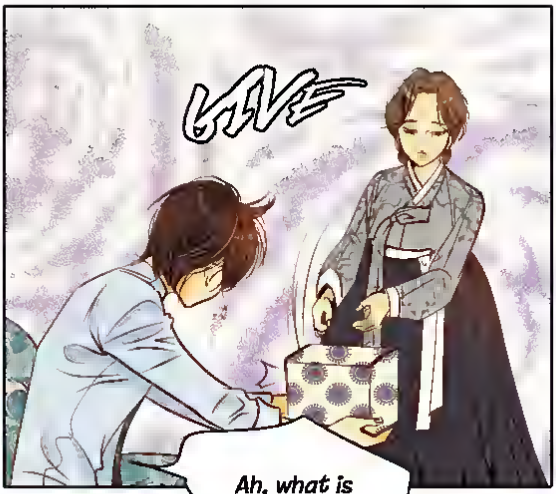
Though witches don't know about the after effects of the curse, they will instinctively feel that it's *dangerous* to lift the curse.

You should find out what way she is going to use to lift the curse and report it back to me.

Yes. I understand.

He is too relaxed about this...

Now, take this.



Ah, what is this?

The letters that I wrote to you while you were in England. I didn't send it because of the security
There are about 200 letters in there...
Thank, thank you mother...
I didn't write it for you to read it, so if you don't want to read it, you can throw it away.

Hm, then I am going to prepare dinner. I am going to cook something that you like and going to make about 30 side-dishes that you like, but if you don't want to eat it, you don't have to...
Why are you like a tsundere to your son?!

Move

I thaught that it was a simple problem.

I can tell everything to the witch? like that...
We are a f*cking household, trying to stop witches from lifting curses...
Oh my? Why can't we lift the curse?
She is bad at acting
And if I explain the after effects of removing the curse, will she then be convinced?
When you lift a curse, a stronger after effects of the curse will happen to you.
What? Then I will not lift the curse!
sob
- the end -

But the mare I think abaut it...

The truth is much mare camplicated and heavy.

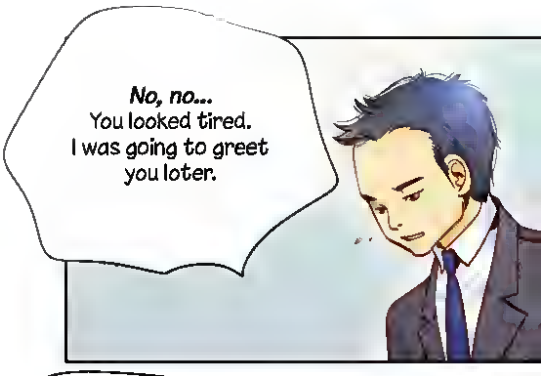
Huh?

GYU SEONG.
IS IT GYU SEONG?

Ah... Have you come back?
What? Why are you being like this suddenly?
We haven't seen each other in two years, are you distancing yourself from me? Treat me like you usually do!

Then...shall I? It's been a long time. You've became more manly.
He is the grandson of chief Han who is the secretary of Sa Nak's father. He grew up like a brother with Sa Nak in the same house.

We met at the gate before, why did you ignore me?

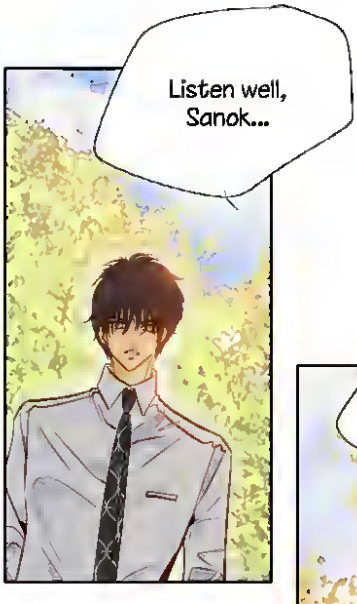


No, no...
You looked tired.
I was going to greet you later.

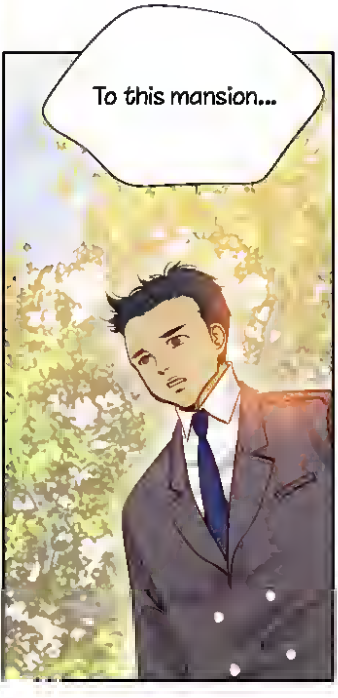
Did you look out for Midan Gang when I was in England?
I wasn't hands-on like you, and I was accompanied by chief Shin. I only monitored her near her home.

She gets lost so easily, wasn't it annoying to follow her around? I was so annoyed that there were many times when I wanted to grab the back of her neck and put her on the right path.
Yes, well... it was like that.

But more than that...



Listen well, Sanok...



To this mansion...

The 'person' came.
THAT PERSON.
?!

Who?
Who came?
Just...
act like you
never heard
about it.
What do you mean?
You brought it up!
It was a joke.
Don't mind me.

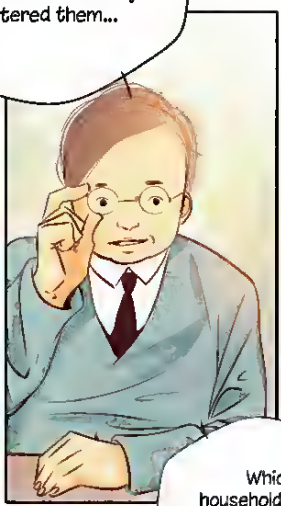
He doesn't make jokes like that...

Who did he see here?

Around
15 - 16th century,
Our England was unlike
ather European
cauntries.

We weren't
that absessed with
the witch trials.
It was few years aga, when
I came ta see the histary teacher,
and heard abaut it.

Even so, there was a household which accused thousands of women being witches and cruely slaughtered them...



Which household do you think that is?

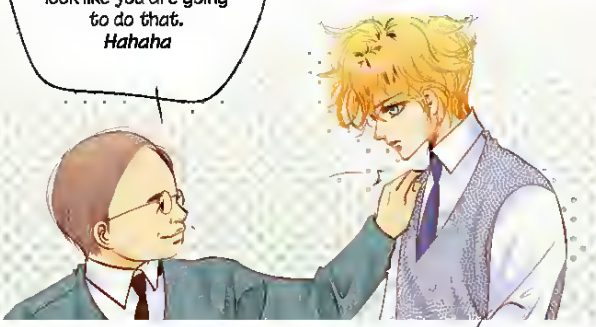
Hahaha...

It is yours, the Montrose household.

You caught thousands of women, tortured them in several ways and butchered them.

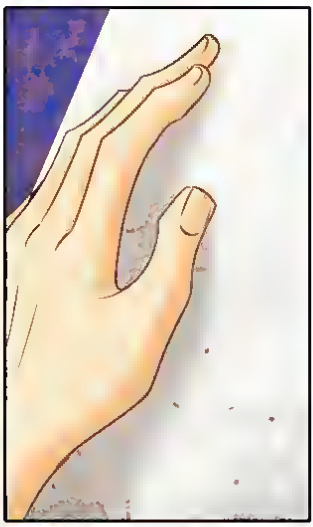
Why did you hate witches so much? I was interested in this topic since I'm a historian and an anthropologist.

Well...if I look at your father now and you, it really doesn't look like you are going to do that. *Hahaha*



.....

The cruel blood which is being oppressed by the curse...



These thoughts ate away my head like a bug.

I want to shake it away...

I had a nightmare about my dance being up an the internet and I am being cursed at.

It was a really dark day in my history...
YU TUVE
29,002
TOWEL GIRL_DANCE VIDEO
SA-NOCK
It is dirty please delete it.
Now every dog and cow is putting up their dance videos
fu*k...This dance is so disgusting!!

And sexual harassment...!
It is only Allen who is cursed, not me.
(Midan's interpretation: When I look at you, I am filled with desire, so can you cover yourself up?)
THAT, THAT DIRTY BASTARD...

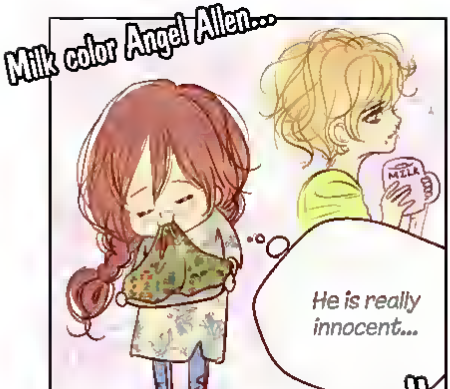
But the people who really were sexually harassed must be those two who had to watch me like that.

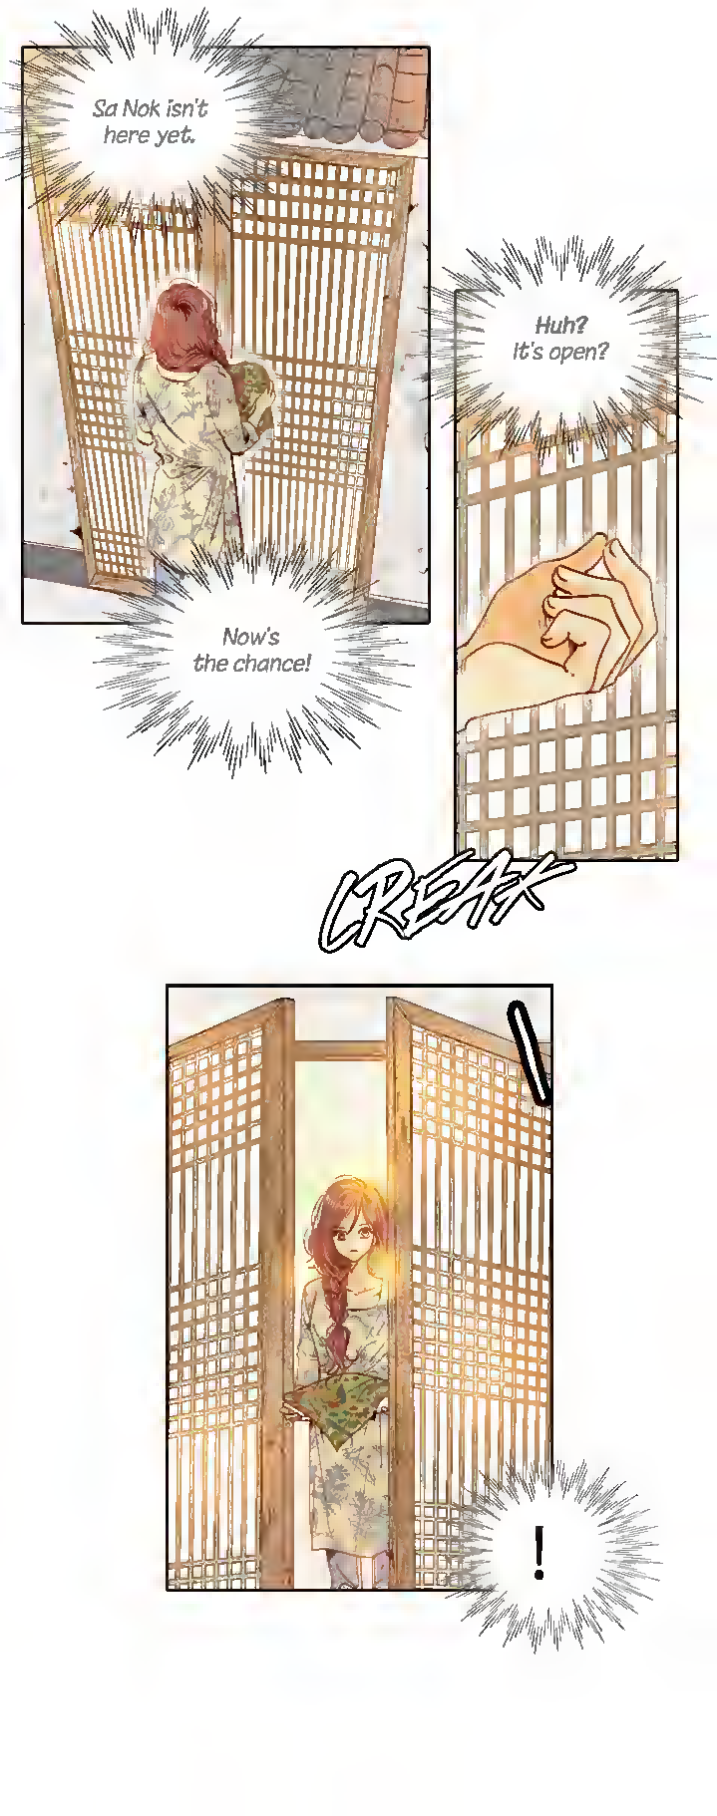
But after that day,
I had a confirmation.

He is not joking, he is really cursed.
He was watching me with those eyes, when I am nearly naked...
It was like watching a monk, reborn as a pure soul and having no desire at all...
NOT FEELING
ANY DESIRE

But it's really much better

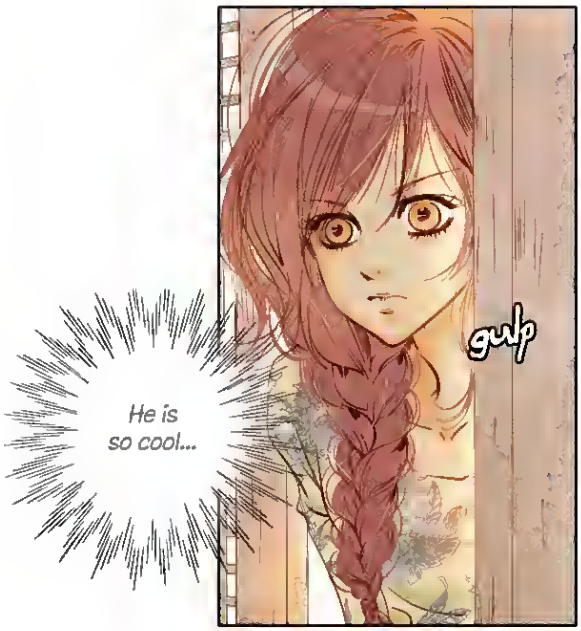
If he was looking at me like a pervert, I would have stopped caring about him.





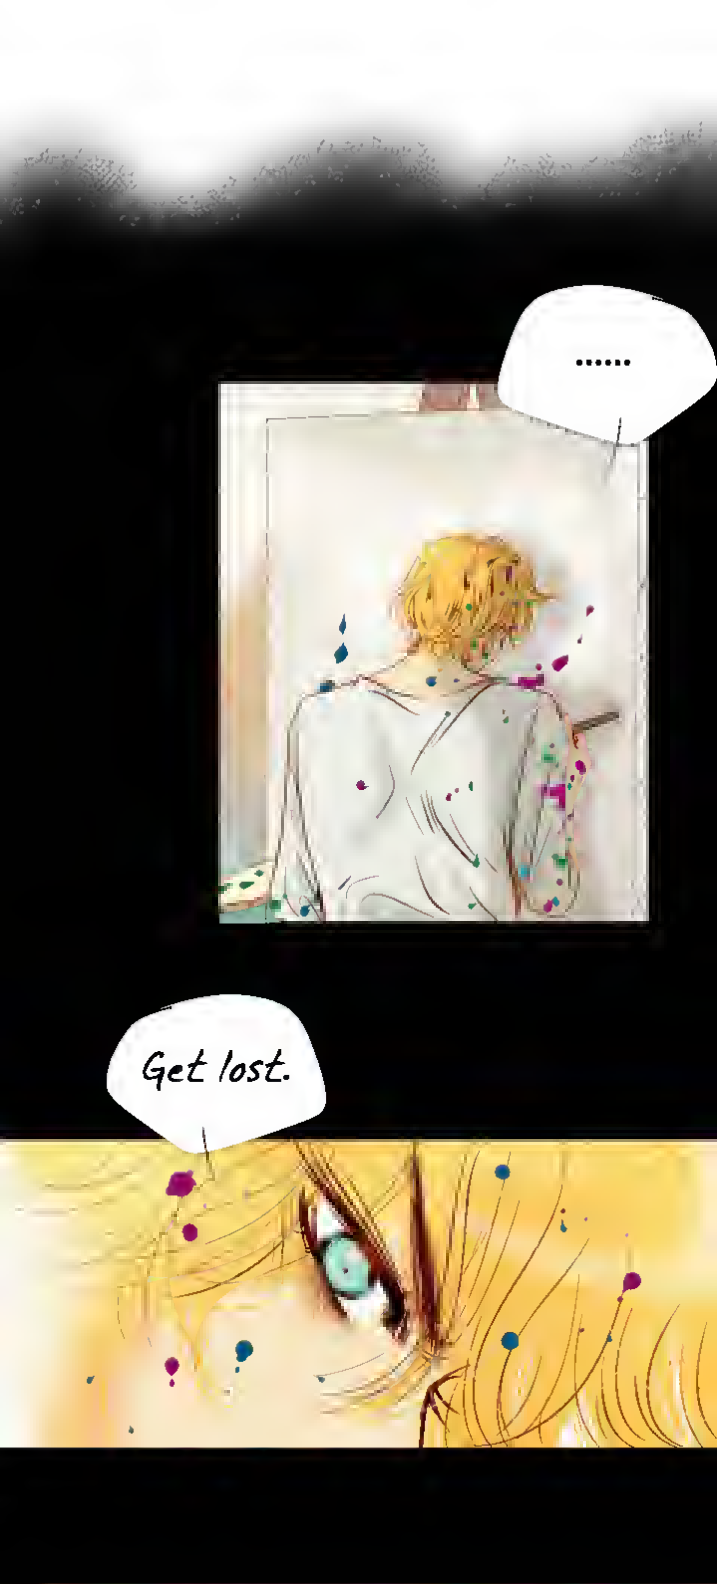
Sa Nok isn't here yet.
Now's the chance!
Huh? It's open?
CREAK
!

Ah... he is drawing a picture!
I've never seen him drawing a picture praperly like this.



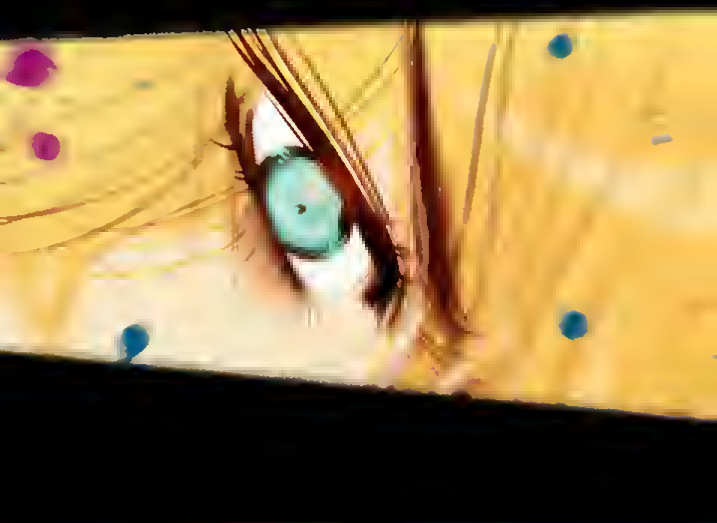
gulp
He is
so cool...

Allen
I'm sorry for
what happened last time,
so I made you some pancakes.
You should eat them and then
work on your painting.



.....
Get lost.

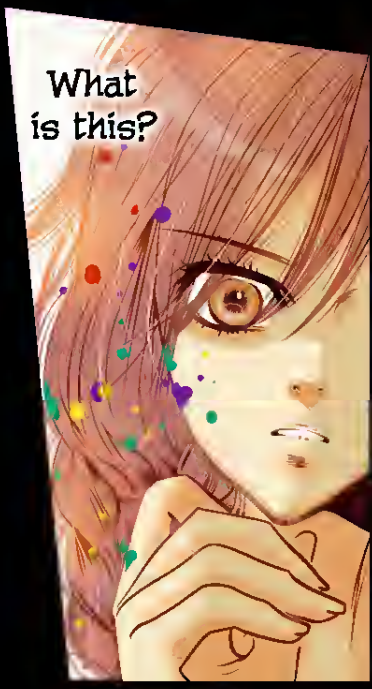
His eyes...?
Huh? Why...?



THROW

HIT

.....



What
is this?

Get lost
unlucky witch.
At that day, for the first time
TAH
SFX: DROP

Allen who was playful with me before was maybe...
Allen...?
I realised that it could be fake.
Continued in next episode...
